# FLEETON

## DIESEL ENGINE OIL

### DIESEL ENGINE OIL / FLEETON 15W40 CI-4 PLUS

#### PRODUCT DESCRIPTION

FLEETON is premium performance multi-grade, heavy-duty diesel engine oil. It is specifically designed to meet the requirements of a wide range of modern, high performance diesel engines where API CI-4 Plus performance is required. It is formulated with high quality base oils and advanced technology additives which protect the engine to provide excellent performance.

#### APPLICATIONS

- Modern engines fitted with emission control devices like EGR.
- Engines designed to meet Euro 3/Euro 4 emission standards.
- Construction and mining vehicles and plant equipments.
- Tractors and farm machinery.
- Generator sets.
- Stop-and-go vehicles in high soot loading service such as buses and waste collection trucks.

#### PERFORMANCE LEVEL

- FLEETON 15W40 (CI-4 Plus, ACEA E2-96)

#### BENEFITS

- Excellent soot control technology to prevent soot accumulation.
- Excellent anti wear detergency properties help to keep the engine clean.
- Minimizes fleet maintenance, operating and inventory costs.

#### TYPICAL PROPERTIES

CHARACTERISTICS	FLEETON 15W40
Kinematic Viscosity @ 40°C (mm <sup>2</sup> /s)	130
Appearance	Bright Amber
Viscosity Index	135
Pour Point (°C)	-36
Flash Point (°C, COC)	232
TBN, mg KOH/g, (ASTM 2896)	14

*This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended.
