

HDLR-75000

LONG LIFE RED GEL GREASE

GREASE / HDLR-75000 GREASE (long life red gel grease)

PRODUCT DESCRIPTION

It is a lithium complex grease, smooth & homogeneous, free from objectionable odor & visible impurities. It possesses good pumpability Characteristics, it is free from deleterious materials and fillers. it laminate the bearing balls and reduce wear and tear due to this process Jerks quantity highly reduced and bearing get longer life. This grease works at temperature EP UO TO 180°C.

APPLICATIONS

Recommended for bearing operating at temperature upto 180°C best performance in all automotive high speed bearing operation And high speed mechanical machinery bearing operations. recommended for bearing greases and as such this Should be used only after complete removal

PERFORMANCE LEVEL

- HDLR-75000 GREASE (long life red gel grease)

BENEFITS

- Reduce friction
- Reduces wear & heat
- Reduces maintenance & associated costs
- Reduces noise in bearing
- Reduce energy consumption.
- Protection against corrosion Extended service life of bearing
- Reduce leakage of grease from bearing

TYPICAL PROPERTIES

CHARACTERISTICS	HDLR-75000 GREASE
Consistency of the worked grease at 25°C a) At 60 double strokes b) At 10000 double strokes	260 to 280 Shall not be more than 30 units from the consistency at 60 double stroke
Drop Point, °C, Min.	180
Penetration, D217 worked 60xmm/10	280
Thickener	Lithium Soap

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended. Produced by PECIFIC PETROLEUM PRODUCTS PVT. LTD.
